

GOLF CART USE AT CRYSTAL BROOK WOODS (OUTLOTS #1 & #2)

DEFINITIONS & EQUIPMENT REQUIREMENTS

- Conventional golf car is defined as: A vehicle designed and constructed or specially adapted to be used for transport of persons participating in the game of golf on golf courses.
- Conventional golf cars, as originally manufactured, shall have a top speed of less than 15 miles per hour. Golf cars that are modified after its original manufacture so that they can achieve 20 or more miles per hour, are classified as "low-speed vehicles", and thus are not permitted in areas designated as Outlot #1 and #2.
- Tires shall be designed for turf or golf course applications, knobby or all-terrain type tires are prohibited.
- Lights & Brakes must be in working order. Gas powered carts shall have a properly functioning muffler.
- Golf carts must have your lot number on them (2" or larger letters) visibly positioned on the rear and front of the cart.
- Golf carts are required to have a minimum 5-pound Class A, B, C fully charged fire extinguisher aboard at all times.

RULES OF OPERATION

- Cart owners are responsible for their guest to follow these rules.
- Operators of a golf cart must be at least sixteen (16) years of age with a valid automobile driver's license. Operators between the ages of 16 and 18 are allowed only one passenger unless they are under direct adult supervision. Direct adult supervision and control is required for all other operation.
- Pedestrians have the right of way at all times. When approaching hikers along the trail system the golf cart operator has the responsibility of making their presence known to the pedestrians.
- Tire spinning while accelerating or turning and brake lockup (skidding) when stopping is prohibited.
- Golf carts must remain on the marked trails or creek access sites. Operation off-trails is prohibited.
- Deliberate disturbance of wildlife, such as deer, turtles, and birds is prohibited.
- Lights must be used while driving during periods of insufficient daylight or adverse conditions.
- Special care shall be exercised and low speed shall be maintained while traveling on trails having hills & valleys and at tight corners & curves. Trail surfaces can be easily damaged due to the loose sand topsoil that is present at Crystal Brook Woods.
- When leaving your golf cart to travel on foot, cart shall be parked in an area to allow others to pass without hindrance. To avoid potential fire hazards do not park in areas of tall grass or leaf cover.
- Owners of the golf carts are solely responsible for any damage they or their guest may cause to Outlots #1 and #2 along with any injury to yourself and others. Cart owners are responsible for properly maintaining their vehicles to safeguard against leakage of fluids and any other environmental concerns.
